

## **Specialized Equipment Service Technician**

Sierra Pacific Turf Supply – Northern California and Northern Nevada

Title: Specialized Equipment Service Technician, Full time, Exempt

Territory: Northern California and Northern Nevada

Reports to: Director of Operations

Position Available: May 1, 2026

Sierra Pacific Turf Supply is looking for an enthusiastic and well-organized individual to join our team as a Specialized Equipment Service Technician for Kress Robotic Lawn Mowers! Sierra Pacific Turf Supply is a family-owned business in the golf & landscape industry headquartered in Campbell, CA., with branches in Rocklin, Ca. and Sparks, Nv. We are looking for a Specialized Service Technician to troubleshoot and aid in the installation of Kress Autonomous mowers on golf courses, parks, and sports turf. If you are interested in golf and would like to work in a fun fast-paced environment, then this is the job for you!

**Essential Duties and Responsibilities:** To perform this job successfully, an individual must be able to perform the following satisfactorily: other duties may be assigned. Reasonable accommodation may be provided to enable individuals with disabilities to perform the essential functions:

- Basic knowledge of electricity and electronics
- Install, maintain, and repair Kress robotic lawn mowing systems
- Combine mechanical, electrical, and app-based troubleshooting skills
- Perform routine service including blade replacement, wheel check, battery inspection of Kress mowers
- Diagnose and repair electrical, mechanical, and software issues for Kress mowers
- Provide customer support and training on system operations, safety protocols and basic troubleshooting

- This position may also help with troubleshooting and service of Rain Bird irrigation satellites and controllers

**Requirements, Skills & Qualifications:**

- Knowledge of hydraulic principles, low-voltage electrical systems, and computer skills for software troubleshooting
- Proficiency with laptops or mobile apps for configuring robotic systems
- Excellent communication and organizational skills
- Strong interpersonal and problem-solving abilities
- Highly responsible & reliable
- Ability to work well under pressure in a fast-paced environment
- Must be able to work outdoors in various weather conditions
- Bachelor's degree from four-year college or university; or one to two years related experience and/or training; or equivalent combination of education and experience.
- Background in golf course maintenance, professional lawn care or outdoor power equipment helpful
- Self-motivated to work without direct supervision in the field
- Valid Driver's License and clean driving record
- Ability to lift and move 50 pounds
- This position requires travel throughout the territory of Northern California & Northern Nevada

**Compensation & Benefits:**

- Paid Time Off
- Paid Holidays
- Benefits package including medical, dental, vision and life insurance
- 401k plan + matching
- Company provided: vehicle, gas card, laptop, iPad, and cell phone
- Salary between \$75,000-\$85,000 based on experience
